Your Question

1. The Present position

(Reveals the current situation, and what is happening now.)

The Universe

Completion – Microcosm Within the Macrocosm – Self

“Everything today serves your highest good—success and new opportunities await! You have found your path and know where to go. A journey or an international connection may also support your growth. Make the most of this favorable time!”

Fulfillment – The Experience of Unity

Everything is falling into place, and you are on the right path! Now is the time to embrace wholeness and welcome new opportunities. This is not just an ending but a step toward a higher level, where you can feel a true sense of unity with yourself and the world. Stay open to love, happiness, and the wonders of life! Don't fear new beginnings—everything is aligned for you to unfold your destiny and reach your full potential.

“I connect to the highest realms of spirit.”

2. The Problem

(The challenge that you are facing at this time. Something you need to resolve in order to make progress.)

Page of Swords

Daughter of Secrets – Tension and Awareness

“Today, you may find yourself in conflict—whether with others or within yourself. Restlessness and inner tension may make your day feel anything but peaceful. Be prepared for the situation and try to avoid the storm before it takes over.”

The Path Forward – Calmness and Awareness

This is a time for attentiveness and mindful communication, where handling information with care is crucial. Avoid impulsive reactions and pay attention to the details, as a hidden truth may come to light. If you navigate the situation wisely, today can teach you valuable lessons about yourself and others.

“I approach life with freshness and enthusiasm.”

3. Unconscious mind/The Past

(Past events, and also how they have shaped the current situation. This can give information on influences in the past that have led up to this.)

Queen of Swords

Mother of Life and Greatness – Intelligence and Self-Control

"Today, the presence of a strong, determined woman may shape your day. This could be a mentor, a leader, a wise advisor, or perhaps you yourself embody this energy. This day is about using sharp intellect and conscious decisions to take control of your destiny."

Clarity and Decision-Making

This is a time for intelligence and independence, where clear thinking and the pursuit of truth take priority. Make decisions objectively, stand by your opinions, and do not let emotions cloud your judgment.

"I have clarity and see the truth."

4. The Recent Past

(What could be a likely turn of events, given that nothing changes. Short-term occurrences, and doesn't represent the final resolution of these events.)

Ace of Pentacles

Spiritual and Material Wealth – Stability and New Opportunities

"Today is a great day to organize your finances. In all areas of life, you have the chance to create stability and security, laying strong foundations for long-term success."

A Well-Established Future – Financial Security and Opportunities

A new, stable beginning awaits you, promising lasting financial success and personal growth. Whether through work, business opportunities, or investments, you can achieve long-term results if you build your foundation with awareness and discipline. Wealth is not just about financial stability—it also contributes to physical and emotional well-being. Seize the opportunities before you and make wise choices that secure your future, while remaining open to both material and spiritual abundance.

"I am able to manifest all that I desire."

5. Conscious mind/The Focus

(Explore what you are focused on, and where your mind is. Can represent your goals and your desires regarding this situation, as well as what your assumptions are.)

Eight of Cups

Soar Into the Infinite – Letting Go and New Beginnings

"By your own free will, you are ready to step into the unknown—an excellent chance to free yourself from old limitations. You have the strength to release someone or something that no longer serves you."

A Brave Step Into the Unknown

It's time to walk away from what no longer brings you joy. Whether it's a relationship, a situation, or a limiting belief, its time has passed. Change may bring uncertainty, but it also offers new opportunities and deeper self-awareness. Listen to your inner voice and take the leap—true freedom begins where the past ends.

"I step out bravely, explore freely, and know I can return safely."

6. Future Influence

(Reveals what is truly driving this situation; the feelings, the beliefs and the values that you may not even understand yet. This card may be a surprise, and can also represent a hidden influence.)

Ace of Swords

Thoughtful, Purposeful Decision – The Sword of Truth and Clarity

“Today, you have the opportunity to solve a problem, resolve a conflict, or make an important, intelligent, and well-considered decision. This is your day of success! If you need to sign a contract or make an official decision, now is the time!”

Clarity and Decision-Making

Clear vision and a sharp mind help you face the truth and accept the facts. Logical thinking allows you to make decisions without emotional influence, guiding you toward the right path. This is a day of intellect, truth, and success—take advantage of the opportunities before you and make the best possible decision!

“I am open to clarity and truth.”

7. You

(Can be interpreted somewhat broadly — but in general, relates to how you see yourself, and how that perception can influence how this situation plays out. What beliefs about yourself do you carry? Do you expand yourself, or limit yourself?)

Two of Swords

Silence – Indecision and Inner Balance

“Today, you may feel indecisive. You are unsure of which direction to take, and this uncertainty can create inner tension. You might be torn between two options, fearing that your choice will be irreversible. Don’t let uncertainty paralyze you!”

The Struggle of Decision-Making and Inner Conflict

This is a time of indecision and internal struggle, where reason and emotion are at odds. The solution lies within you—quiet your mind, listen to your inner wisdom, and the right path will become clear.

“When I look within, I know that my heart is safe and whole.”

8. External Influence

(The world around you and how it affects this situation both socially and emotionally.)

Seven of Swords

Trust Yourself – Deception and Secrets

"This card is a warning of lies, deception, betrayal, and dishonesty. Someone around you may not be truthful, or perhaps you are the one hiding something. Dishonest business dealings, stolen ideas, slander, or guilt may arise if there is a lack of honesty in a relationship."

Caution and Awareness

This is a time of deception and hidden motives, where things may not be as they seem. Be mindful of whom you trust and listen to your intuition, as the truth will eventually come to light.

"I am able to strategize to get what I want."

9. Hopes and Fears

(Can represent both what you secretly desire, as well as what you may be trying to avoid.)

Knight of Pentacles

The Son of Values and Practice – Financial Security and Long-Term Opportunities

"You may receive money that you didn't have to work for—perhaps a windfall or inheritance. But opportunities aren't just financial; gifts like a scholarship or an overseas study program could open new doors for you."

Stability and Persistence – The Time to Build

A long-term opportunity is unfolding, bringing security and stability. Progress may be slow, but it is steady—patience and perseverance will lead to success. Now is the time for careful planning, strategic growth, and wise decision-making. Small, well-thought-out steps will help you lay strong foundations for the future.

"I persist with dedication and see my plans through to completion."

10. Final Result

(A summary of all the previous cards. Given all that is happening, what is the likely resolution of this event?)

Ten of Wands

Exhaustion – The Weight of Responsibility

"You feel drained by work, responsibilities, and the pressures of life. You may have taken on too much and now struggle with dissatisfaction, whether in your career, personal life, or relationships. Conflicts with authority figures—whether a boss, a parent, or your own expectations—can add to the strain."

Releasing the Burden – Lighten Your Load!

If you've been carrying too much, it's time to reassess what truly belongs to you and what is merely weighing you down. You don't have to do everything alone. Allow yourself to rest, seek support, and share responsibilities where possible. By letting go of unnecessary burdens, you create space for new opportunities that uplift and energize you.

"I make choices that free my energy for the things I truly love."
